To Whom It May Concern:

It is with great pleasure that I recommend Adam Thomas Winton, for employment. Mr. Adam has worked on our computer for the past six years. He is responsible, punctual when he gives you a time frame, he has it on time. He is hard worker and most of all he is accurate on his diagnosis. He is the best computer tech I have ever dealt with. The company that hires him will be fortunate to have such a tech. like him.

Any questions please do not hesitate to call me

Truly,

Jeanette Pina
